

## 2016-2017 GTU COURSES That Meet CDSP MDIV REQUIREMENTS

Note:

- Other GTU courses may meet some of these requirements if appropriate arrangements are negotiated with instructors. When in doubt, consult your advisor!
- Courses taught at other GTU schools often require supplementation in the form of additional reading or even additional course work in order to cover specifically Anglican material of the sort expected on the General Ordination Examination.
- The listing below does not constitute a recommendation about the quality of the courses or instructors, but only concerns the content of the courses as described in the course descriptions.
