FALL 2020 COURSE MODALITIES

In response to the COVID-19 pandemic, the Fall 2020 semester at CDSP will begin in a remote format, with some courses meeting in an asynchronous online medium, and others meeting synchronously or in some combination of synchronous and asynchronous meetings.

“Asynchronous online” means that students access their course materials and complete their work online (e.g., in Moodle) but do not meet at specific set times. “Remote synchronous” means that students meet at specific set times via remote technology (e.g., Zoom).

Residential students are expected to enroll in required courses designated for residential students, in order to foster a community of learning among their cohort.

GTU students who wish to cross-register may enroll in any CDSP course, synchronous or asynchronous.
